

Buy a Courtyard Brick Today!

Support the OTHS Educational Foundation

The Ottawa Township High School Educational Foundation secures and channels private funds to enhance educational programs and opportunities for OTHS students. The Foundation raises funds for innovative teaching projects, better labs and facilities, new equipment, and the extras that cannot be afforded within the regular school budget.

Join hundreds of students, graduates, athletes, teachers and families by supporting the OTHS Educational Foundation. We use your donations to provide grants, scholarships, recognition awards, and opportunities for school improvements that benefit the student body, all while keeping the Spangler & Scherer Courtyard a beautiful showpiece for our school!

✂ Cut and return -----

Order Form

☐ I would like to purchase a commemorative courtyard brick for \$100.

☐ I am interested in giving a larger gift to the OTHS Educational Foundation. Please contact me to discuss how I can help enhance educational opportunities for students.

Name: _____

Address: _____
