Trenity Kimes Receives January 2026 OTHS Educational Foundation Honors

Ottawa Township High School (OTHS) Senior Trenity Kimes is the recipient of the OTHS Educational Foundation Student of the Month Leadership Award for January. She was selected for the honor from the Business, Career & Technical Education Department of OTHS.

Trenity attended the November Disney World leadership trip, joining other future leaders from OTHS in workshops and activities that develop personal and professional qualities in attendees.

“Trenity has made great strides in her academics and has pushed herself this year,” her OTHS teachers commented. “Trenity shows excellent leadership in all her classes, especially in early childhood education. She consistently demonstrates an exceptional work ethic and a genuine commitment to do her best. Trenity’s willingness to assist others makes her a reliable and valued member in her classes. She meaningfully contributes to discussions and is not afraid to express her ideas. These qualities make Trenity a positive influence for those around her. We wish Trenity all the best in her future endeavors.”

All recipients selected as a Student of the Month receive a \$250 award from the OTHS Educational Foundation and are granted use of a preferred parking space at OTHS among other benefits.
